

Location

Jumeirah Emirates Towers is located on Sheikh Zayed Road in the centre of Dubai's commercial business district, in between Dubai International Financial Centre (DIFC) and Dubai International Convention Centre and Exhibition Halls, and is a highly visible statement of the region's corporate success.

History

Construction of the iconic towers commenced in 1996, following the designs of architect Hazel Wong, with the hotel doors officially opening in April 2000.

Structure and Exterior Design

Comprising of two equilateral triangles, Jumeirah Emirates Towers is a unique architectural icon of Dubai, inspired by traditional Islamic themes. The towers consist of a 350m Office Tower and a 305m Hotel Tower with 400 bedrooms, both connected by a central podium which is home to the Boulevard, a unique and prestigious shopping destination which was voted Mall of the Year in 2007. Jumeirah Emirates Towers has been designed to cater for every possible need that a business traveller may have.

Guest Rooms and Suites

The unique Hotel Tower of Jumeirah Emirates Towers has 51 floors, comprising of 400 rooms and suites, each with modern European style décor and furnishings. All rooms and suites offer exceptional views of the city or of the palace stables and desert, and range from 44m² to 312m² in floor area, and all are equipped with the latest business facilities to allow guests to stay in touch even when off duty.

The choice of rooms and suites on offer includes:

| | |
|-----|----------------------|
| 200 | Double Deluxe Rooms |

Club Executive has its own concierge team, providing a welcome service at Dubai International Airport and limousine check-in service, suit pressing on arrival and a seamless check-in and check-out service, as well as many other services. Club Executive rooms feature the latest technology from Bang & Olufsen.

The Club Executive Lounge is located on Level 42 of the Hotel Tower, with an emphasis on individual comfort and maximum efficiency; Club Executive guests have access to a range of upgraded amenities and benefits to make their stay both enjoyable and productive. The Club Executive Lounge provides a complimentary breakfast, meals and drinks service throughout the day as well as a venue for guest meetings.

Level 40 is the Chopard Ladies Floor which features 10 Tower Rooms and one Apex Suite, designed for the executive woman seeking sophistication, luxury and exclusivity. This floor is only serviced by female colleagues and caters to the privacy and comfort of female travellers with additional in-suite yoga facilities and a cosmetics fridge as well as additional amenities designed for ladies.

Restaurants and Bars

Jumeirah Emirates Towers offers a choice of 15 restaurants, lounges and bars. With a variety of dining choices from the tantalizing temptations of Modern European cuisine, to the delicate subtleties of the Mediterranean, Japan, America, or South East Asia, our chefs are waiting to pamper the palate.

Al Nafoorah

Conveniently located on the Lower Level of the Boulevard, Al Nafoorah, or “the Fountain” serves authentic Lebanese cuisine and eclectic favourites. Hot and cold mezze dishes are the restaurant’s specialities, and the nearby outdoor terrace creates a beautiful alfresco setting for any occasion.

Lounge on Level 10

The Lounge, located in the spectacular atrium of the Hotel Tower on Level 10, features zesty drinks and light gourmet fare, making it the perfect place to entertain friends or for that important business meeting.

Corner3

Set within a fashionable and trendy environment on the Lobby Level of the Office Tower, Corner3 offers contemporary all-day bites and delicacies with an Arabic twist that combine healthy nutrition with delicious good taste.

ET Sushi

ET Sushi bar, located on the Lower Level of the Boulevard, offers a fast and fun way to enjoy freshly prepared sushi, sashimi and tempura. Dishes can be chosen from the conveyor belt, or from the menu whilst seated on the terrace in the Boulevard. A stunning sake bar with a wide selection of beverages is also available.

Harry Ghatto’s

Conveniently located on the Upper Level of the Boulevard, this lively karaoke bar is a startling venue for a late-night get-together with fun loving friends. Guests can sing along to all time favourites and classics or hide-away with their counterparts whilst listening to singing hostesses and new talents.

Mosaico

Mosaico comes alive with cosmopolitan Mediterranean all-day dining on the Lobby Level of the Hotel Tower, offering a stunning breakfast and lunch buffet and a delightful à la carte menu with an Italian touch in the evenings. The decor is Mediterranean, a feeling captured by the mosaic flooring, light timber panelling and glass features. The restaurant’s large French windows extend the Mediterranean pavement bistro atmosphere out into the Lobby; alternatively guests can sit on the terrace to enjoy alfresco dining by the pool.

Pool Bar

The Pool Bar at the outdoor swimming pool area offers a phenomenal selection of juices, smoothies and sophisticated mocktails, along with nutritious bites and snacks, plus a comprehensive selection of other beverages.

Scarlett’s

Located on the Lower Level of the Boulevard, Scarlett's is a themed restaurant and lively cocktail bar specializing in wholesome American, English and Tex Mex favourites. The perfect venue for a family meal, office party or a drink with friends, the decor revolves around a Southern American style providing a warm and welcoming atmosphere to the restaurant's spacious interior.

The Agency

The Agency is a modern wine and tapas bar and the place to experience a choice of up to 70 different wines, each served by the glass, in a classy ambience and with impeccable service. With simple, chic furnishings and a patio in the centre of the Lower Level of the Boulevard, The Agency is the ideal venue to adjourn for a quiet drink or two after a hard day in the boardroom.

The Lobby Lounge

Whatever the occasion, whether business or leisure, The Lobby Lounge is an ideal venue to relax and enjoy an elegant selection of drinks and light fare, amidst the tranquil serene surroundings of the Lobby of the Hotel Tower. Fashionable marble floors and walls, as well as a variety of distinctive amenities create an inspiring backdrop.

The Noodle House

Located on the Lower Level of the Boulevard, The Noodle House, with its exciting and enticing open show kitchen, bridges the gap between fast food and fine South East Asian dining. The delectable menu features all of Southeast Asia's favourite dishes, complemented with authentic drinks, juices and cocktails.

The Rib Room

On the Lobby Level of the Hotel Tower, The Rib Room specialises in Wagyu and other prime quality beef and offers the most succulent steaks and freshest seafood in a relaxing, chic and stylish setting. This is a modern and trendy environment where the look and taste of the dishes is as important as every other detail of service and amenities.

Tokyo@thetowers

Tokyo@thetowers, located on the Upper Level of the Boulevard, is a popular Japanese cuisine restaurant offering an extensive à la carte menu, with a variety of dining options, including Teppanyaki tables with tableside cooking by an entertaining chef, intimate private Tatami rooms set amongst a pillar-lined gallery, and a sushi bar.

Vu's

Sophisticated and elegant, this award-winning fine dining restaurant serves the best in contemporary European cuisine. With its panoramic location on Level 50 of the Hotel Tower, Vu's offers a stylish setting that is paired with views of Dubai to take the breath away.

Vu's Bar

Located on Level 51 in the Hotel Tower of Jumeirah Emirates Towers, Vu's Bar is a smart and sophisticated bar with impeccable service and a staggering selection of 200 chic cocktails and drinks combined with panoramic views of the Dubai skyline and the Arabian Gulf beyond. Persons below the age of 21 years are not permitted.

Conference and Banqueting Facilities

Jumeirah Emirates Towers is more than just a venue; it is a meeting and events destination in its own right. The hotel is perfectly designed to meet the requirements of any event or conference, from company business meetings to major banquets, receptions, social functions and weddings.

Located on the Lower Lobby Level, covering a total area of 787.5m² and with a Dolby surround system, the Godolphin Ballroom can comfortably accommodate up to 600 guests for a banquet style dinner or 1,000 guests for a cocktail reception.

The ballroom consists of three separate meeting areas, each with a separate sound system and extensive audio-visual equipment consisting of motorised projection screens, projection and lighting bars for visual effects.

Twelve boardroom style Congress Rooms are situated on Levels 1 - 5 in the Hotel Tower, offering the latest in conference technology, most recently equipped with a unique state-of-the-art audiovisual plug and play system which allows the guest to access its comprehensive functionality within minutes. The entire system features inputs for six computer displays with audio, and switching is remotely controlled either by a 10-inch touch panel on the wall or a wireless executive remote control. The guest also has the option of routing presentations to large LCD or plasma screens, an audio recording facility and additional wireless or congress delegate microphones available on request. This is serviced at all times by a back-up team of dedicated IT professionals.

On Level 3 of the Hotel Tower of Jumeirah Emirates Towers, in the heart of the sophisticated meeting and conference facilities, is a fully equipped Biz Pod business centre along with three intimate Boardrooms that are open 24 hours daily. Full secretarial support for business and conference delegates is also provided.

At The Biz Pod, the innovative LifeSize video conferencing system delivers telepresence quality, high definition video and audio for a realistic authentic experience. This state-of-the-art technology allows participants to be displayed simultaneously with a four way continuous presence and share presentations, documents and multimedia. The device itself is portable, allowing a multitude of possibilities in different venues.

Level 8 Private Room in the Hotel Tower is an impressive venue for social breakfasts, lunches or dinners for up to 70 guests as well as cocktail parties for up to 100 persons. The venue boasts spectacular views of the Office Tower, cityscape and palace stables, and a vast range of audio-visual technology is available on request.

Jumeirah Hospitality

Jumeirah Hospitality, managed by Jumeirah Emirates Towers, is the premier event management and outside catering company in the United Arab Emirates.

Jumeirah Hospitality specialises in taking care of every aspect and each detail of any event. As well as superb catering, we also provide on-site service, supply all the equipment, utensils, crockery, cutlery and linen you need, decorate and light the venue to suit the theme of your choice and even provide extras such as entertainers, video cameramen and guest transport.

H2O The Male Spa

H2O The Male Spa is a unique, modern spa for men located on the Lower Level in the Hotel Tower. Cool, calm and very contemporary, it's a place for men to spend an hour or two to slow down, de-stress and restore their energy levels.

The spa has a menu of over 30 individual treatments, including the signature Flotation Pool and Oxygen Bar, designed to dispel the discomforts that so often accumulate after long haul flights and constant travelling, and to revive and energise you after a round of late nights and long meetings.

The Health Club

Situated near to the Hotel Lobby, The Health Club of Jumeirah Emirates Towers is perfect for business travellers who want to work off the effects of jet lag. It features a large gymnasium with a separate weight training area as well as separate men and women's changing rooms, sauna and steam rooms. The cardiovascular equipment at The Health Club features integrated interactive LCD screens for personal entertainment. What's more, The Health Club features a massage room exclusively for ladies with a wide range of massage and body treatments on offer. Oxygen Bars and a 25 metre outdoor swimming pool, sun deck and pool bar are also part of The Health Club's facilities.

The Big Apple

Located in the Boulevard, The Big Apple offers a fully equipped gymnasium, with state of the art fitness equipment, and can provide health conscious guests with the services of a personal trainer as well as a choice of facilities including an activity room for a great variety of aerobics classes.

Golf can be arranged at a number of world-class courses nearby and guests of Jumeirah Emirates Towers also have free access to Wild Wadi Water Park.

Boulevard

The Boulevard at Jumeirah Emirates Towers is a shopping destination with 13,050m² of high-end shopping outlets, fused with the trendiest of eateries, over two floors. Recently awarded Mall of the Year 2007 at the Retail City 2007 Awards, the Boulevard offers the opportunity for extravagant shopping with over 50 fashionable and exclusive boutiques to choose from, all featuring leading designer brands, theme restaurants and coffee shops, all located in spacious, sky-lit courtyards and walkways.

The Office Tower

The Office Tower has 52 floors of lettable space based on a triangular layout. An average floor has a nett usable area of 810m² with a floor to ceiling height of 2.85m, and 17 elevators servicing the 57 floor building.
