Combine your Study with an Internship or Work Experience

In the past Study Abroad students have availed of the opportunity to combine a trimester abroad with a period of internship in a Jumeirah hotel (either before or after the trimester). The internship is unpaid and accommodation on campus needs to be separately paid for.

Fees

We charge the AED equivalent of 7,500 Euros for a trimester including visa fees and accommodation. Accommodation is in our fully self-contained individual studio apartments on campus. All the student needs to pay for on top of that is food and entertainment.
