

# A VERY CHOCOLATE EASTER BRUNCH

WHITE

This April marks a tribute to all things chocolatey at Jumeirah at Saadiyat Island Resort leading up to an incredible Easter Brunch that spells out fun, fun and more fun for the whole family.

From the beginning of the month, we'll have scrumptious chocolate displays at Majlis Saadiyat, with 100 magic Easter eggs, containing gifts such as complimentary brunches, brunch upgrades and a stay in our panoramic suite! Every pre-confirmed brunch booking will get one of these eggs to gear you up for a remarkable Easter celebration. On the 19th of April, the big day arrives with

lavish displays of chocolate desserts, mouth-watering roasts and a host of live stations serving up culinary mastery and refreshing cocktails.

The mood will be up-beat and some, with an activities programme that goes above and beyond and a special appearance from the Easter bunny leading everyone on an egg-hunt with great prizes in store. Clowns, bouncy castles, magicians and of course a prized live band will have the whole family smiling through the day.

**Friday, 19 April 2019 | 13:00 to 16:30**  
**After Brunch at the Lounge from 16:30 to 20:30**
